

“Ruiz’s **compositional mastery** ensures that each piece fuses perfectly with the text, offering a memorable listening experience.”

Melómano

★★★★★

Winner of the *Melómano de Oro*

“The songs are **enchanting**. The **promising composer** has the capacity to construct a musical narrative connected to the poetry, where **everything flows**: fire, passion, coldness, tenderness and turbulence.”

Sonograma

“**Captivating** in its simplicity, **impressive in its craftsmanship**—with simple, unpretentious immediacy in expression.”

Concerti

“A **virtually ideal** recording of a song cycle that will, one hopes, have **staying power** in the repertoire.”

Fanfare Magazine

“Rodrigo Ruiz **succeeds every time**. In each song, there is at least one passage that **induces a sigh of astonishment, a gasp, a chill**—a moment that makes me think there can be no better way to set *these* words and express *this* emotion.”

Stephen Rodgers

Edmund A. Cykler Chair in Music and Professor of Music Theory at the University of Oregon.

Founder of *Art Song Augmented* and *Resounding Verse*
